

**This cute little guy is Gordy and he finally found his forever home after waiting a very long time!**

**So many people fell in love with Gordy, he got more attention than any of the other dogs at all of the adoption events, yet he didn't get adopted for the longest time.**

**He lived in a couple of foster homes between events, always got rave reviews about how well behaved he was, how sweet and easy going he was and how loving, but at the end of an adoption event, we would load him up and take him back to the sanctuary.**

**One day a few weeks before Christmas we got a call from a gentleman who said his daughter and wife fell in love with Gordy one day when they saw him at an event and as a Christmas surprise he wanted to adopt him for the family.**

**How special was this! Finally not only was Gordy**

**going to a new, forever home, he was going to make a grand entrance!**

**So, after completing necessary interview process, we delivered Gordy to his new home and it was a heart-warming event!**

**He walked right in to his new home like he'd been there before. He even went into the kitchen and helped himself to the kitty food.**

**Below is a picture of Gordy looking so proud in his adoption picture. We have been in touch with the family and he's doing great in his new, forever, loving home!**

**Sometimes it just takes awhile to find the right family but it's always worth the wait!**
